About Company

ISIWENGU is a multi-disciplinary business entity committed to providing professional services to clients with a focus on maximizing client satisfaction. Founded in 2013 ISIWENGU is a 100% black owned company.

At Isiwengu, we prioritize customer satisfaction and strive to exceed expectations in every aspect of our operations. We are committed to deliver exceptional services, utilizing cutting-edge technology, and maintaining the highest standards of professionalism and integrity.

Mission statement

ISIWENGU is committed to exceeding our clients' expectations by providing the highest possible quality of service through:

- Excellence in innovative, reliable and sustainable engineering solutions
- Maximum use of our client's financial capital and client's financial return.
- Constant focus on identifying and minimizing risk factors
- Superior technology for managing information and communication.

Vision

To grow beyond our operational boundaries to become a nationally, regionally and intercontinentally **RECOGNIZED MULTI-DISCIPLINARY professional service provider offering unsurpassed service to our clients in every aspect of our business.**

Quality management

In view of the important role played by quality issues in the operations & objectives of the company, a total Quality Management System has been documented to ensure the following:

- That the processes will be **EFFECTIVELY CONTROLLED**.
- That the resources & information needed to support these processes will be made available.
- That the processes needed for the **QUALITY MANAGEMENT SYSTEM** & their sequence interaction will be **IDENTIFIED & ADDRESSED**.
- All records necessary for demonstrating conformance to requirements and for analysis will be kept.

Methods of operation

Internally, all projects are undertaken in accordance with our CONTROL and REVIEW SYSTEM. At ISIWENGU we provide a project leader/ manager as the single point of contact for each project. The project manager also controls and is responsible for the project internally. We believe it is important for the client to DEAL EXCLUSIVELY with a single project manager who is able to run the project from conception to completion, ensuring CONSISTENCY OF WORK QUALITY and COMMUNICATION.

Occupational health & safety policy

ISIWENGU will ensure that our operations and services are conducted to reduce the risks to the health and safety of all permanent staff, sub-contractors, contractors, project partners and clients as guided by legislation and our internal safety manual.

Environmental policy

ISIWENGU is committed to protection of the environment and the human safety of its employees and clients. We are dedicated to complying with national commitments that strive for a sustainable society over the long term.
